Dr. Robert Campbell, Chair
Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, Ontario
K1A 0N5

Dear Dr. Campbell:

The Village of Alert Bay Council is opposed to deregulation of the Canadian Postal System and strongly urges you and your fellow panel members to undertake public hearings on this very important subject. Our Council believes that deregulation could lead to a reduction in the quality of service to remote and rural areas, such as the community of Alert Bay, and will lead to higher costs for postal service.

In the interests of preserving the universality and high quality service of Canada Post, Council asks that deregulation of the Postal Service does not go forward.

Yours truly,
