NO. 2008-116

MOVED BY 

SECONDED BY 

WHEREAS the Canada Post Corporation Strategic Review, which was launched by the federal government on April 21, 2008 is looking at deregulating our public post office (i.e. reducing or removing Canada Post's exclusive privilege on letters).

WHEREAS it will become increasingly difficult for our public post office to provide affordable service to everyone, no matter where they live, if the government erodes or eliminates the very mechanism that funds universal postal service – the exclusive privilege.

WHEREAS postal deregulation in other countries has led to post office closures, less service, fewer jobs and higher postal rates for the public and small businesses.

WHEREAS the government is not holding public hearings as part of its strategic review or adequately consulting with the real owners of the post office – the public

“BE IT RESOLVED THAT the Council of the Municipality of Calvin opposes deregulation of Canada Post.
