Canada Post Strategic Review  
330 Sparks Street  
Ottawa, Ontario K1A 0N5

Dear Sir or Madam:

I am writing to express my concern over the secret review that will determine the future of universal public postal service. We need full postal service in our rural northern community and don't want some private company to decide that we don't need full service and just go after servicing the large cities. This would definitely be to our detriment. Since we, the public are paying for Canada Postal service, we would like to keep a universal postal service and keep a uniform rate for all areas of Canada. A review without the input of the Canadian public is hardly democratic. We don't want our post office closed.

Respectfully yours,

Donna Campbell

A very concerned citizen.
