Canada Post Strategic Review  
300 Sparks St. (HCCR)  
Ottawa ON. K1A 0N5

To whom it may concern:

I live in a rural area and enjoy biking to our local p.o. - in am to mail bill payments, or friendly letters, and in pm to collect my mail. The growl about parcel rates, but letter rates are fair. Our post office is a place to meet your neighbors, or have a chat with the post-mistress who knows almost everyone.

I strongly hope the rural post office here will survive Canada Post proposed changes.

Sincerely

Privacy is also a concern.

In a business establishment several people are assigned to deal with customers.
