Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, Ontario K1A 0N5

Re: Canada Post Corporation Strategic Review

At the Regular meeting of Council held on July 15, 2008, Council adopted a motion to support the Canadian Union of Postal Workers request to have the Canada Post Corporation Strategic Review hold public hearings with respect to deregulation (as per the attached resolution).

Mayor and Council also wish to express their appreciation of the fine service Canada Post provides to the community of Clearwater and area for the residents over the past several years.

Rural communities like Clearwater depend on the affordable, accessible, consistent, high quality mail delivery service provided by Canada Post. Canada Post has been a quality employer in the Clearwater area providing workers with good paying, reliable jobs. Given the long history of fine service provided by Canada Post, Council would like the Canada Post Corporation Strategic Review to hold public hearings when considering deregulation of the public postal service.

Sincerely,

John Harwood
