Canada Post Strategic Review  
330 Sparks Street  
Ottawa, ON  
K1A 0N5

I have been reading about this Strategic Review of closure of Post Offices. I do sincerely hope that ours is not one of them.

We are a senior couple in our 70's and have been residents of Okanagan Falls for 25 years and we would be completely lost with out our local Post Office.

The staff are all very friendly and very helpful and where else can one chat with their neighbours on a daily basis and keep up to date on what is happening in our little place?

Also I like walking to the Post Office to get my mail, it gives me a reason to get out in the fresh air and a purpose for doing so.

I hope you will take this all into consideration before you decide to close our Post Office down.

  
Yours sincerely,  
Mary Findlater  
(Mrs. Ed. Findlater)
