Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, Ontario

Dear Sir:

At a recent meeting New Glasgow Town Council reviewed a letter from the Canadian Union of Postal Workers regarding a study the Federal government is conducting of the public post office.

The Union is concerned that if the study leads to deregulation it may cause post office closures, less service, fewer jobs and higher postal rates for the public and small businesses.

Council passed a motion opposing deregulation of Canada Post and requests that your government hold public hearings and properly consult with the true owners of Canada Post, the public.

Yours very truly,

Lisa M. MacDonald
