Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, Ontario
K1A 0N5

Dear Sir/Madam:

It has been brought to the attention of the council that the government is conducting a review of the postal service within Canada. Why would the government have to review a service which is required by all Canadians? The uniformity of the service is a must for everyone, if this service was privatized the uniformity which we rely on would disappear. We urge the government to consider the consequences of the proposed privatization and leave Canada Post as it exists.

Yours truly,

BA Rattray
Administrator
