Canada Post Corporation Strategic Review  
330 Sparks Street (HCCR)  
Ottawa, Ontario  
K1A 0N5

To Whom It May Concern:

The Town of Neepawa Council would like to express their opposition to the deregulation of Canada Post. In small communities the post office is a vital service to the public. Canada postal service is viewed as being an affordable secure method of transferring mail. Council feels that public hearing should be held, involving the public is a procedure that is necessary to get true feed back from the users.

Enclosed please find a copy of a resolution that the Town of Neepawa Council passed at their July 22, 2008 Regular Council meeting.

We hope that you have taken our concerns into consideration.

Sincerely,

A handwritten signature in blue ink that reads "Pat Martin".

WHEREAS the Canada Post Corporation Strategic Review, which was launched by the Federal government on April 21, 2008, is looking at deregulating our public post office (i.e. reducing or removing Canada Post's exclusive privilege on letters)

WHEREAS it will become increasingly difficult for our public post office to provide affordable service to everyone, no matter where they live, if the government erodes or eliminates the very mechanism that fund universal postal service – the exclusive privilege.

WHEREAS postal deregulation in other countries has led to post office closures, less service, fewer jobs and higher postal rates for the public and small businesses.

WHEREAS the government is not holding public hearings as part of its strategic review or adequately consulting with the real owners of the post office – the public.

BE IT RESOLVED THAT the Town of Neepawa send a letter or submission to the Canada Post Corporation Strategic Review opposing deregulation of Canada Post and insisting that the government hold public hearing and properly consult with the true owners of Canada Post – the public.
