Canada Post Corporation Strategic Review
330 Sparks Street
Ottawa, On K1A 0N5

To Whom It May Concern:

The Council of the Rural Municipality of Riverside No. 168 would like to express to you on how important it is to have the Post Office in our small town. The Rural Municipality uses the Post Office every day receiving and sending mail. If the government eliminates the mechanism that funds this service it would not be improving the public postal service it would be destroying it. This matter would lead to small town post offices being closed which would result in less jobs and service that is offered in small towns.

Thank you for your attention to this.

Sincerely,

Brandi Trembath
Administrator
