TOWN OF STE. ROSE DU LAC

MOVED BY: Maurice Tardiff

SECONDED BY: Ivan Worrall

DATE: June 30, 2008

WHEREAS the Canada Post Corporation Strategic Review, which was launched by the federal government on April 21, 2008, is looking at deregulating our public post office (i.e. reducing or removing Canada Post's exclusive privilege on letters).

WHEREAS it will become increasingly difficult for our public post office to provide affordable service to everyone, no matter where they live, if the government erodes or eliminates the very mechanism that funds universal postal service - the exclusive privilege.

WHEREAS postal deregulation in other countries has led to post office closures, less service, fewer jobs and higher postal rates for the public and small businesses.

WHEREAS the government is not holding public hearings as part of its strategic review or adequately consulting with the real owners of the post office - the public.

BE IT RESOLVED that the Council of the Town of Ste. Rose du Lac opposes the deregulation of Canada Post and insist that the government holds public hearings and consult with the public as part of its strategic review.

CARRIED

I HEREBY CERTIFY that the above is a true and correct copy of the resolution passed at the regular Council Meeting duly assembled on the 30th day of June, 2008.
