

I am writing to you because I am very concerned about maintaining public postal service in Canada.

I hear that meetings are happening behind closed doors with government, industry, delivery companies and business groups. I am upset that public comment can only be made in written submissions. The lack of public hearings concerns me greatly.

I hope to hear from you with any news on this issue. i look forward to an opportunity to address this issue in person, at a public hearing.

Michael Rosser
