Canada Post Strategic Review
330 Sparks St.
Ottawa, Ont. K1A 0N5

Dear Sir or Madam:

Regarding your review of the postal service, we believe Canada Post should continue to handle letters. Too many services are now handled by the private sector. We are disappointed so many post offices have already been closed in the rural areas.

Please do not take away our rural mail boxes. It is getting increasingly more difficult for older citizens to be independent. We are ^{unable to} walk a distance and many no longer drive. Our rural mail deliverers are a dedicated group, delivering mail in all kinds of weather.

If everyone has to drive to a cluster of mail boxes - look at the pollution created by all these vehicles starting and stopping.

When are you planning on holding public meeting to discuss the matter, before proceeding further? This is supposed to be a democratic country, let's keep it that way.

Yours truly

Margorie E. Woods
